## **WELCOME!**

We are delighted that you have joined us for this special evening on our campus. We want you to know and be proud of "your community college." This evening is structured very informally, with few time perimeters, so feel free to move at your own pace, but please don't miss anything!

In addition to the *information tables* set up in the *Student Union Ballroom, Santa Fe Room, Red Room, and Board Room*, you may want to see other parts of the campus:

1. *DCCC Bookstore* is open. (Located on the lower level of Student Union.)
2. *Tours of the LRC (Library) and Wellness Center* leave every ten minutes from Registration Table in the Ballroom. (Tour Guides are DCCC Student Ambassadors.)
3. *Shuttle vans to DCCC Computer Lab* leave every fifteen minutes from the top of main stairs of the campus. (Van Drivers are Ron Albrecht, Science Instructor and a Mystery Driver. Computer Lab Guide is Dr. Irwin Noyes, Dean of Instruction.)
